Tēnā koutou katoa e te whanau

Thank you very much for the warm welcome into the Awhitu Community. I originally come from Wairoa, Hawkes Bay from the iwi of Ngāti Kahungunu but have resided in Auckland since 2000. I have taught for over 20 years in various school settings, both rural and urban, including some specialist environments for children with learning and social needs. My son Pine lives in Awhitu with his lovely wife Jasmine. It is indeed a beautiful blessing to be closer to the mokopuna. It feels like home already. Please pop in if you have time to say hello or if you need any other information.
