

## I am going back to school

I am so thrilled to be going back to school,  
I love what we learn about and all my friends are cool!  
My class looks new and different, my teacher is the best,  
I am so excited I can't wait to start a fresh!  
Its year 2019 and it's going to be the best,  
Lots of things to learn about and all new types of tests.  
Pencils in their cases waiting to be used,  
Abc's and 123s written all around the room,  
I am going to learn them all and how to act at school,  
And one day I'll be big enough and teach them all to you!
